

## **THIS PAGE ALLOWS YOU TO INSTALL AN EXISTING PROJECT OR INSTALL A NEW ONE**

From the home page on the screen, click **ADD** to get a new project

A table appears or you need to name the project

A green board appears on the screen confirming that you have saved the project. This green board should always appear after completing each box in the software.

**Name**

**Type**

**Datasheet**

### **CLICK ON SAVE**

A green board appears on the screen confirming that you have saved the project. This green board should always appear after completing each box in the software.

The new project you have saved will be displayed in the list of projects. Click the project drop-down arrow and target the project in the list of projects. Click on the project you want to use and then click on the **ACCESS** cell to display it on the screen.

To access an existing project from the list, click on the drop-down arrow of projects and choose the project you want. Click on this project and then click **ACCESS** to display it on the screen.
